

PILLS

MESS WITH your

Mind!

ABUSING PILLS IS NOT COOL!

Only 5% of High School students have used Ecstasy (Molly) in the past 6 months!*

Most LHS students (90%) have never taken pills with alcohol.*

Most Laytonville Middle School and High School students think that their parents (98%) feel it would be wrong for them to misuse prescription pills.*

*Based on information from the 2012 CA Healthy Kids Survey, taken at Laytonville High and Middle Schools.
